Dear Dads and Kids:

The Winooski Family Center is inviting fathers and their young children to gather for activities, supper and fun! This is a chance for children to meet and play with other children and an opportunity for dads to get together for food, fun and discussions about parenting and being a father.

We will begin each meeting with a nutritious and delicious meal. After the meal we will either have a children's activity, dad's discussion group, guest speaker or a field trip. Dads will help determine and develop the types of activities, discussions and field trips based on interests and needs.

There is a well-established group in Burlington that has been running for several years. Dad's have said of the Burlington group that, "no one leaves hungry from the feast of food." Also, the dads in the Burlington group are actively involved in creating the discussion and planning field trips, some of which include; the UVM Dairy Barn, Maple Sugaring, Indoor Playgrounds, Fire Station and a yearly ride on the Spirit of Ethan Allen on Lake Champlain. Discussion and guest speaker topics include nutrition, self esteem, setting limits and discipline, sibling relationships and many other topics.

Pass the word on to other dad's or expectant fathers and come on by.

When: Monday nights from 5:30 to 7:30 p.m.

Where: Winooski Family Center
